

**Rocky Peak Virtual Elementary
2026–27 School Community Council Candidate Form**

Serving on the School Community Council

Serving on our School Community Council is a wonderful way for parents and teachers to contribute and help improve academic performance at Rocky Peak Virtual Elementary. Our school receives annual funding from the School LAND Trust Program, and our council decides how these funds will be used to support student learning.

The council reviews and prepares academic plans for our students each year. All plans are reviewed for final approval by our school board. Councils also act in an advisory capacity to school and school district administrations.

Qualifications

Every public school in Utah has a School Community Council. Councils are made up of school employees elected by employees and parents elected by parents of students attending the school. Membership terms are for two years. Elections are held at the beginning of each school year.

Parent members must have a student attending the school at least one of the two years of their term of service. Employee members must be employed by the school district at the school.

For more information, please visit [Utah's School LAND Trust Program](#).
